ABOUT ME

My Name Is Lucky Shrestha currently studying Computer Engineering in Tribhuvan University. Passionate 3rd year Computer Engineering student with ability for problem solving and a love for technology. Dedicated to learning and applying cutting edge skills in hardware and software development. Excited about the intersection of innovation and engineering. Eager to contribute and make a positive impact in the world of technology.

EXPERIENCE

As I am a student I have not gain experience in this field yet but I have done many projects in my 3 years journey of Computer Engineering related to my course such as C, C++ and also completed some of the projects which I have learned beyond the classroom such as projects related to web development and data science such as Face Detection System, Fake News Detection, Sales Insights, etc.

SKILLS

- PHOTOSHOP
- HTML
- CSS
- JAVA SCRIPT
- PYTHON
